---

Our recommendation for cold winterdays - **Hot chocolate balls!** The hot chocolate balls of the Werdenfelserei are something very special and there is something for every taste. Infused with hot milk or hot milk & rum, the balls slowly melt into a sensual taste experience.

Variations of delicately melting snow globes:

- \* STAR BALL // with marshmallows
- \* SNOW BALL // Milk chocolate with caramel
- \* GOLDEN W // Dark chocolate with red pepper
- \* WHITE CHOCOLATE // Chai latte with marshmallows
